

i760

Helping you achieve realistic carbon reduction goals, intelligently.

INNOVATION THAT WORKS.

*When power unit not in use

Spacious seating area

Well equipped canteen

Hot drinking water system

Separate office space

12V cool box/ fridge

Low flush eco toilet

Innovative, functional, environmentally w and cost effective.

The **i760** offers the legendary robustness and ease of use of **groundhog** static welfare units whilst offering an enhanced green environmental solution. Offering upto **100% reductions in carbon emissions** whilst on board power unit is not in use.

The i760 is designed to run in summer months without the onboard power unit running. During the winter period and night use the power unit will still be required, with a reduction in running of up to 90% when compared to the fusion pulse welfare unit.

Once lifted into position, the i760 provides incredibly robust and secure accommodation and is available in three toilet layouts. The unit also offers a large spacious welfare area and separate office space which can accommodate up to 10 people - providing a pleasant and safe working environment, **ideal for rental companies and contractors.**

x3 solar panels with on board power unit back up

Low flush eco toilet option in Full flush toilet

12V air blown heating system & warm water for hand wash

Hot drinking water & microwave run off 12V system

12V LED lighting with PIR

Inverter powered sockets with USB connectors

Office space

100Amps @ 12Volt battery charging unit c/w Fuel Active system

12v cool box / fridge (Available as an optional extra)

i760 Key features at a glance

Length	Width	Height
7620 mm	2755 mm	2500 mm
Gross / Unladen Weight	Dependent on specification	
x3 Solar Panels	425 Watt	
On board power unit	100 Amps @ 12Volt	
Fuel Tank (all models)	100 Litres	

Recirculating Toilet Unit	
Fresh Water	20 Litres
Waste Water	20 Litres
Toilet Waste	280 Litres

Full flush Toilet Unit	
Fresh Water	350 Litres
Underfloor Toilet Waste Tank	370 Litres
Twin Toilet Unit	
Fresh Water	250 Litres
Underfloor Toilet Waste Tank	400 Litres

Available in three layout options:

1. RECIRCULATING TOILET UNIT

2. FULL-FLUSH TOILET UNIT

3. UNISEX TWIN TOILETS UNIT

INNOVATION THAT WORKS.

ON-BOARD POWER UNIT

100 Amps @ 12Volt unit only runs when battery levels dictate. Ensuring zero loss of power

3 x 425W SOLAR PANELS

Mounted on roof with large charger controller

INTELLIGENT BATTERY TECHNOLOGY

Auto start / stop to maintain optimum battery performance

HOGWATCH MONITOR & TRACK

To optimise carbon reduction whilst on site

FULL FLUSH TOILET

With warm hand wash

HEATING SYSTEM

Delivers warm air and warm hand wash

SIGNIFICANTLY REDUCED RUNTIME

SIGNIFICANTLY REDUCED FUEL USAGE

LESS EMISSIONS

SIGNIFICANTLY REDUCED SERVICING COSTS

ON-BOARD POWER STORAGE SYSTEM

Helping you achieve realistic carbon reduction goals, **intelligently.**
